MEMORANDUM FOR THE RECORD

STATINTL

SUBJECT: Proposed HN [REDACTED] "Security in Agency Buildings"

1. On 11 September 1975, the Regulations Control Branch contacted the Policy and Plans Group telephonically concerning referenced Headquarters Notice. RCB advised that the Executive Officer to the DD/A questions the need to publish the proposed Notice, since HN [REDACTED] dated 5 August 1975, seems to adequately cover the subject. STATINTL

2. Upon the guidance of the DD/P&M, PPG advised the Regulations Control Branch that we agree with the Executive Officer's conclusion. Further, we have no strong feelings about publishing the referenced Notice and prepared the first draft only to satisfy the MAG proposal.

3. RCB indicated that the Executive Officer will attempt to persuade the DD/A against publishing of the Notice.
